

Wireless Access

This document provides a brief description for the Internet access at the plenary session in the ENEXT meeting

- Connect to the wireless network, with SSID = XSF-UPC

- Open an Internet Explorer Browser and you will be redirected to an authentication page (should work with any browser)

- Use:
 - User: enext.guest
 - Password: enext04
- The following window should appear:

- **Keep the above window open while you are browsing the internet !!!**
- Click the exit button ("sortir") when you want to close your internet connection.
